REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Claims 1-36 are allowed, as the prior art of record does not teach or suggest an apparatus and method for correcting distortions in magnetic resonance data, including a unit for processing the distorted MR data taking into account the distortion and the transformation parameters to obtain corrected MR data, in combination with the remaining limitations of the claims.

- 3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
